

## **MARTIN HULBERT**

### **Martin Hulbert Design**

Martin has 25 years' wide-ranging experience. His degree in Spatial Design focused not only on interiors but also on theatre design. A variety of design projects followed, from hotels and restaurants to offices and ships. In 2000, he joined Fox Linton Associates as Design Director. During the 10 years he was there, he and his team developed many original and award-winning designs for hotels and private homes.

Martin now runs his own company. His work has appeared in magazines worldwide. In April 2011, he received from House & Garden magazine the Pineapple Achievement Award for outstanding contribution to hotel design.

Larger projects Martin has been personally responsible for:

- Coworth Park – new hotel and spa for the Dorchester Collection
- Athenaeum Hotel – public spaces and bedrooms
- Dorchester Hotel – the Dorchester Spa, Crystal Suite and ballroom
- The Grove, Hertfordshire – new hotel
- Barnsley House Hotel and Village Pub, Cotswolds – re-design

Current projects include:

- Phoenicia Hotel, Beirut – re-design
- private villa, estate and gardens, Tuscany
- private houses/apartments, London & Moscow
- London spa for Aromatherapy Associates
