

Claire Coles

Couture Wallpapers

Seamlessly blending appliqué, embroidery and paint, Claire creates a *luxurious* and *textured* effect in her wallpapers.

Inspired by the natural world, her *timeless* designs can be commissioned as *wallpaper murals, panels* or *framed artworks*.

Combining gold leaf, faux suede, vintage wallpaper and paint,
Claire's unique style *brings walls to life.*

Responding closely to her client's vision, all designs
are *custom-made* in house.
